6 Letter no Rev 2594 27-28 dated 14th August 1928 from the Deputy commr Kolar District forwarding for sanction draft municipal slaughter bye laws framed by the Municipality

The Deputy commr suggests five modifications in the bye laws and the same have been noted in the bye laws.

The bye laws have been drafted on the lines of those in Bangalore city

In bye law no 2, the word "Deputy" has to be replaced by "Assistant"

Bye law no 10 (ii) the words "Veterinary officer" should be added after "Sanitary Inspector, as the Veterinary officer has been authorised to examine the animals that are brought to the slaughter house This has been added to in the slaughter house bye laws framed by the municipality.

The other items seem to be correct and may stand

The bye laws may be approved with the above modifications

10) After a further examination of the bye-laws it seems that the attribution of the words proposed to bye-laws 1 of the bye-laws by the A C seems to be unnecessary, as the bye-laws seem to legislate only for private markets, the provision for taking out of licenses for which the conditions to be observed by the persons concerned, as opposed to public markets which may be governed by separate bye-laws under clause 48 (1) (ta)
